

# Love of Darkness or Light

John 3:1-21 – *Don Erhart*

## **DISCUSSION QUESTIONS**

- 1) Why do you think Nicodemus went to Jesus at night? Why would "Nic" claim that they believed God sent Jesus to teach them?
- 2) Do you remember the two questions Don was trying to help us answer? What were they?
- 3) Why are those two questions important to us?
- 4) Why do we need the light? And what does it mean to love darkness more than light?
- 5) Why are people who do not believe in Jesus "condemned already?" Try to flesh that out theologically?
- 6) Do you struggle sometimes with trusting that God is good and that He is for you? Why or why not? How would you help someone else struggling with that?
