Ephesians 2:8-10, 1 Corinthians 1:17– *Adam Bowers*

## **DISCUSSION QUESTIONS**

- 1) Do you ever find that your prayers become automatic or just going through the motions? What can we do to pray with more clarity and belief?
- 2) Was there a prayer request or praise shared during the service that had a special impact on you?
- 3) Why is it important that we talk about our beliefs in church (for instance, about baptism), even when we may have some disagreement on those beliefs within our church?
- 4) Is it better for the church to take a position on most nuanced issues and exclude those who disagree or to take a position on fewer things and include people who have different views on some issues? Where is the best place to draw that line between where we take a position and where we allow for different views?
- 5) What was your biggest takeaway from this week's message and how do you plan to respond to it?
