## *DISCUSSION QUESTIONS*

1. Congratulations, you're an agent of hope. What does that mean to you? Have you ever thought of yourself as an agent in Christ's service to bring hope to the hopeless?
2. Which of the four areas spoke most to you: Hope for our Hearts, Bringing hope to Others, Taking hope into the Public Square, or Living in the hope of Eternity?
3. What are some ways that we might bring hope to others in 2020?
4. What are some ways that we might interject hope into the unavoidable political discussions of the coming weeks and months? (Keep this conversation focused on bringing hope!)
5. What difference does it make to live in the certainty of eternal life?
6. Close the discussion by following the Examen in a time of group prayer: Focus on God's presence, Give thanks for all that he has given in the past day - both the blessings and the challenges, Pray with confidence about the needs and concerns that your group has shared, close in Hope as you look forward to tomorrow and the year to come.
