

# LIFE INTERRUPTED

## Easter

*John 21 | Adam Bowers | 4/12/20*

1. In what ways has the new coronavirus pandemic interrupted your life?
2. How are you doing emotionally while being more physically separated from people?
3. Have the changes to your routines and time management changed your spiritual life in any way?
4. Jesus challenged Peter and his other disciples to be willing to sacrifice to follow him. Have you had to make any sacrifices to follow Jesus?
5. In John 21, the disciples returned to Galilee to wait for Jesus and ended up doing some fishing before Jesus showed up. Adam shared that he believes this was a wise thing for them to do to stay productive while they waited. What are some ways you are making the most of the time you have when so many things are shut down?
6. Jesus essentially presented Peter with a reset button, a chance to start over where their relationship began. What does this story tell you about the character of Jesus and the kind of relationship he wants with people?
7. Is there an area of your life where you need to hit the reset button with Jesus? Any area of growth where this group can pray for and help to keep you accountable?
