

LIFE INTERRUPTED

Who Gets the Glory?

Genesis 41 | Adam Bowers | 6/21/20

1. What is the most boring experience you can remember?
2. What do you imagine life was like for Joseph in prison for two years? How do you think he felt? What might you have wrestled with internally if you had the same experience?
3. What can Joseph's time in prison teach us about waiting for God to do something in our lives?
4. God used dreams to guide Joseph and others around him. How does God communicate with us today? Does he ever use dreams? What activities help us listen to God and hear what He wants us to know or do?
5. Joseph grew in character as a young adult and learned to give God the glory instead of himself. What are some ways we give ourselves glory instead of God even if we don't always realize it at the time?
6. Do you relate more to young Joseph or adult Joseph? Why?
7. What is your biggest take away from this message and how will you respond to it?
