

LIFE INTERRUPTED

God of the Unexpected

Genesis 48 | Adam Bowers | 7/19/20

1. Do you ever feel like you're living in an upside down world? What seems backwards or out of order to you?
2. When is a time you've seen God work in a very unexpected way? What were your perceptions and emotions at the time?
3. Just as Jacob adopted his grandsons to give them a better benefit than they deserved, God makes believers in Jesus His children to give them benefits they don't deserve. What benefits do we receive from being God's children?
4. Sometimes the children of God don't act like they are part of God's family. What are some ways you need to grow in representing your Heavenly Father on earth?
5. Throughout history, God has chosen unexpected ways to work and bring about his purposes. Why does He do this and what should it teach us?
6. What is your biggest take away from this message and how will you respond to it?
