

THE POWER OF SMALL

HOW LITTLE THINGS CAN MAKE A BIG DIFFERENCE

A Small Touch

Mark 5:21-36 | Kevin Krosley | 8/9/20

1. Have you ever been touched in a special way during a time of struggle or sickness?
2. Have you ever been used by God in the life of another, especially in a way that seemed small to you at the time, but that made a big difference to the person?
3. *Fear* is the anticipation of a bad or negative outcome and *Hope* is the anticipation of a good or positive outcome. Faith is acting in hope despite the fear. What is an area in your life where you are currently feeling this tension between Fear and Hope? What step of faith might you take?
4. Now that you've had time to write down a name and pray about the next steps, what do those next steps involve? When will you do them?
