1. What's one area of your life where you currently find a sense of purpose?
2. Before this Sunday, had you heard of Tychicus or Onesimus? For those who missed the sermon, share a brief overview of who they were.
3. What's one part of your life where you need to see yourself as a servant of God? What would change in this area if you saw this as your primary purpose?
4. In the sermon Andrew said that *"God purposes move forward through minor characters."* Do you have any stories or examples of God using a "minor character," to advance His purposes?
5. What are some of the ways that a divided church leads to a distracted church?
6. What would it look like for our group to unite in shared purpose to move into the mission of God - in our group, in our neighborhood, and in our church? What steps do we as a group need to take?
