

Why Give?

Matthew 6:19-21 - *Adam Bowers*

DISCUSSION QUESTIONS

- 1) Christians have historically been some of the most giving people on earth. Why do you think that is?
- 2) What are the primary reasons many Christians today give nothing or very little to any cause?
- 3) Why do you think God has included so many statements about money and possessions in the Bible?
- 4) Have you ever discovered that something you thought was worth your focus (your time, your money) was actually hurting you?
- 5) Jesus contrasts serving God and serving money. How can we love and work in a world where money is such a priority and necessity and yet keep our focus on God? What are some practical steps to make God our priority over money?
