## *DISCUSSION QUESTIONS*

Read Mark 12:41-44, Acts 6:1-7, and Ephesians 2:10

- 1) How might Jesus's teaching of the disciples in Mark 12 have influenced how they handled the ministry challenge they faced in Acts 6?
- 2) What are other examples of Jesus's influence on the disciples during his earthly ministry that had an impact on their leadership as they were building the church?
- 3) Ephesians 2:10 says that we are new creations and that God has prepared good works in advance for us to do. Reflect and share ways that your past experiences have proven to be useful preparation for challenges that you later faced.
- 4) Now, dream and share how God might use what you're currently experiencing as preparation for the good things he planned for you long ago.
