

The Evil Farmers

Matthew 21:33-46 | Adam Bowers | 6/27/21

1. What are the best and worst aspects of gardening?
2. Adam mentioned people in the New Testament who God removed from this world due to their sin. Do you think this still happens today?
3. Jesus said that the Kingdom of God would be taken away from the religious leaders of Israel and given to a nation that would produce the proper fruit. What is the new nation and what kind of fruit do you think he was talking about?
4. What kind of fruit does God expect you to produce? If he were to inspect you today, would he approve?
5. Spend time in prayer this week asking God if there are ways he would like to see more fruit from you. Write down any ideas from this prayer time and put them in a place you will see each day.
