

Worth Fighting For

Adam Bowers | 1/16/22 | 1 Timothy 6:12-17

1. Pastor Adam said:

“Doing life God’s way isn’t easy, but it’s worth it.

It’s not a cake walk, it’s a battle. It’s not a walk in the park, it’s a fight.”

In what ways is following God a fight?

2. Why does Paul exhort us to “not get tired of doing what is good” in Galatians 6:9? Has there ever been a time where you tired of doing good?
3. What changes when we think of ourselves as already having eternal life? How do we balance the “already and not yet” dynamic of eternal life in Christ?
4. What does it look like to “hold tightly” to eternal life? What would it look like if we did not hold tightly to it?
5. What is the hope we have in Christ? How is this hope bigger than just eternal life?
