1. ***“The problem is not with others but with me.”***

What does this statement mean?

Do you agree with it?

What are some sins that Christians sometimes consider acceptable, such as good things that can become idols?

2. ***“The solution is not with me but with Jesus.”***

How do people make the solution about them more than Jesus?

What is Jesus’ solution for our life dominated by sin?

How does this solution impact your life today?

3. ***“The hope is not in Jesus’ death but in his resurrection.”***

What was accomplished by Jesus’ death on the cross?

What was accomplished by Jesus’ resurrection?

Why is the resurrection so important to our faith?
