1. What's the worst gift you've ever received or seen someone else receive?
2. What were some of the difficulties Hagar and Sarah faced as mothers?
3. Abraham, Sarah, Hagar, and Ishmael all made mistakes that caused broken relationships. What were some of the mistakes and consequences?
4. After the initial visit from the angel, Hagar used a new name for God, "You are the God who sees me." What is the significance of this name? How might this perspective of God impact your relationship with Him?
5. Even with the messiness and the mistakes involved in Abraham's family, God still loved them and brought about His purposes through their brokenness. Are there areas of your life where you hope God will use brokenness for His purposes?
