1. The Sadducees and the early church had very different views of God, His sovereignty, and His interaction with the world. How have your views of these things changed over the course of your life?
2. Read Acts 4:24-30. What part of the believers' prayer do you find most challenging?
3. What is the significance of the believers asking for boldness to keep sharing their faith instead of relief from difficult circumstances? Are there difficult circumstances you are facing today that could be an opportunity for bold sharing?
4. At the end of their prayer, the believers are filled with the Holy Spirit and go on preaching the word of God with boldness. What does it mean to be filled with the Holy Spirit? (Read Ephesians 5:17-20 for a reminder.)
5. How could your prayer life improve after listening to the prayer of the early church?
6. What is your biggest takeaway from this week and how will you respond to it?
