

Lying to God

Barret Moore | 10/30/2022 | Acts 5:1-11, 1 Corinthians 11:30-32

1. Have you ever felt like God's discipline was unfair, either to yourself or someone else?
2. How can we reconcile God's Justice with God's Mercy? Did Ananias and Sapphira get mercy?
3. Why was this one lie so important to God?
4. Why did fear grip the church? Why were they afraid of what happened?
5. How should we rightly view our sin? How, if at all, does Jesus change that view of sin?
