

Thanksgiving

Adam Bowers | 11/20/2022 | Luke 17:11-19

1. Have you ever had a condition or situation that made you feel like an outcast?
2. In the story of the 10 lepers, why do you think Jesus instructed the men to go present themselves to the priests without healing them right away?
3. What was different about the Samaritan leper's response from the other nine and what did it reveal about his heart?
4. Perhaps the other nine lepers were thankful for the healing they received, but their thankfulness did not result in the actions of the Samaritan leper. What does this teach us about our experience of thankfulness?
5. Jesus said the Samaritan leper was made whole because of his faith. In what ways have you been made whole by faith in Jesus?
6. What are three things you are thankful to God for? Are there any actions you should take in response to your thankfulness?
