Adam Bowers | 1/22/2023 | Acts 8:8-40

1. If you haven't before, share how your relationship with Jesus began.
2. Have you ever felt a push from God to talk to another person about Jesus? How did you recognize it?
3. How does understanding God's role in bringing people to Jesus impact your view of evangelism?
4. Is it our job to convince people to believe in Jesus?
5. Do you think God has a season of greater ministry ahead of you? What might that look like?
