

Back Together

Adam Bowers | 2/12/2023 | Acts 2:42-47

Before Small Group:

- *Read and meditate on Hebrews 10:24-25 and 1 Corinthians 11:17-22*
- *Visit efree.org/backtogether and read about the focus for the next year*
- *Pray for God's guidance in making the body of Christ a priority in your life*

1. What surprises you the most about the way the early Christians came together in community?
2. In what ways was their community counter-cultural?
3. What did you learn from reading Hebrews 10:24-25?
4. How has a lack of community impacted you in the past?
5. What were the problems Paul addressed in 1 Corinthians 11:17-22 and how does the Bible teach us to behave instead?
6. Is there a certain part of the Back Together focus that resonates with you more than others? Which parts will you commit to your Small Group to participate in?
