

Trouble in Churchland

Adam Bowers | 3/12/2023 | Acts 10:34-48

1. Can you think of a time when you experienced a major paradigm shift, giving you a radically new perspective on something?
2. Why was Peter so shocked by what he experienced in Acts 10:34-48?
3. Adam talked about three perspectives on God's sovereignty: Fatalism, Open Theism, and Molinism. Which of these makes the most sense to you, or do you have a different perspective?
4. Why does the Bible say it is important not to see salvation as a result of our own good works? (Titus 3:5-7, Ephesians 2:8-10)
5. One of Adam's main points was that God's requirements, though at times confusing to us, are given for a reason. Do you find it easy to trust God when you don't understand something, or is that a challenge for you?
6. Have you seen a transformation in your life because of following Jesus? What evidence do you see that Jesus makes a difference in your life? How visible is the difference to others?
