

Never Too Late for a Second Chance

Adam Bowers | 6/11/2023 | Acts 15:22-41

1. Do you have a story of a time when you needed a second chance?
2. Paul and Barnabas were both committed to serving God, even though they disagreed on how best to do it next. Have you ever seen believers disagree on something significant but do so with grace and pure motives?
3. How did the disagreement between Paul and Barnabas turn out to be a good thing?
4. When it comes to giving people a second chance, are you more like Barnabas or Paul? Why might both of these be acceptable responses?
5. When is a time you were disappointed by not having an opportunity you wanted? Can you think of a way that worked out for good? Do you see now how you may not have been ready for the opportunity when you thought you were?
6. What was your biggest takeaway from this week's message, and how will you respond to it?
