

## Rivers in the Dry Wasteland

*Dr. Aila Tasse 8/20/2023 | Isaiah 43:18-21*

1. Read Isaiah 43:1-21
2. How does this passage describe the situation of Israel at the time of this prophecy?
3. How does God assure the listeners of his care and ultimate deliverance?
4. What does this passage teach us about the nature and work of God for his people?
5. If God were to “do something new” or “make a path in the wilderness” today, where might we see it? (v. 19)
6. How can we be ready to join God’s work of “creating rivers in the dry wasteland?” (v. 19)
