

Life-Giving Disciple Making

Brad Wos | 8/27/2023 | 2 Timothy 1 & 2

1. As the Bride of Christ, we know what God commands he also provides everything we need in the person of Jesus Christ. Read Revelation 19:1-10 together and discuss what the community of the marriage feast looks like together in heaven.
2. **Identity:** How does Paul speak of Timothy as His dear Son in the Lord in Philippians 2:19-24? Describe what a father-son relationship in the gospel looks like.
3. **Endurance:** This is Paul's final letter, and he is now all alone. He said he has finished the race. Discuss how Christ's covenant of grace produces endurance to finish strong. What struggle in your life needs endurance right now this week?
4. **Wholehearted:** John Stott speaks of the 4 barriers that block the gospel from falling from our heads to our hearts to produce the fire of wholehearted love for God and people: Pride, Fear, Negativity/Pessimism, and Joy of Other Idols. What barriers are blocking the Gospel fire in your heart and need to be fanned into flame?
5. **Calling:** Discuss how the Gospel of Grace can change your calling in life from "Who am I?" to "Here I am, Lord, send me" to make disciples of all nations.
6. Read together how Paul summarized his hope and Joy in 1 Thessalonians 2:19-20. Discuss who you can ask this week to be your Paul or Timothy to multiply grace. How can we better welcome other nations in our neighborhoods and city?
