

God's Design and Authority

Adam Bowers | 9/10/2023 | Genesis 1:26-28

1. Sex and gender are big topics in our culture today. Why should Christians care about these? Why not “live and let live” and ignore aspects of the culture we disagree with?
2. Why is it significant that God designed our sexuality and created boundaries for its use?
3. Authority structures are all around us, and if we're honest, we all prefer to have some kinds of authorities in our lives for different reasons. As a group, list several examples of authority structures in our lives and why they might be necessary.
4. Genesis 1:26-28 says that human beings are made in the image of God. How does this understanding impact our identity and our value, specifically as it relates to sexuality?
5. Why is it important to begin a study of sexual intimacy and gender with a foundational understanding of God's authority?
6. Will you commit to praying for people in our church struggling with sexual temptation and sin during this series?
