

REVELATION

The Main Thing

Pastor Bill | 10/29/2023 | Revelation 2:1-7

1. The believers in Ephesus experienced transformation in Christ many different ways. In what ways have you experienced transformation through your faith? If you're on the journey to faith in Christ, what transformation would you like to see in your life?
2. If Christ sent you a letter, what do you think He would identify as your commendable qualities and activities?
3. If Christ sent you letter, do you think he would point out any concerns or deficiencies? If so, what would concern Him?
4. How do the rebuke and warning Jesus gives the church Ephesus fit with the gracious forgiveness Christ offers us? If you need help with this question, look at Hebrews 12:5-11.
5. Talk through with your group how to apply each step of the pattern of restoration described in the message (remember, repent, return).
