*John Richardson | 11/26/2023 | Acts 18:1-17*

1. Describe situations in life when it is not good to remain silent.
2. Read Acts 18:1-17. What do we learn about Paul and his ministry from these verses?
3. What is the significance of Silas and Timothy's arrival in Corinth? (2 Corinthians 11:7-9; Philippians 4:15-20)
4. What was the message Paul was sending in verse 6 when he said "Your blood be on your own heads"? How do we express that today when we see people reject the gospel?
5. The Lord encouraged Paul, in verse 9-10, to not be afraid and to not remain silent. What is the promise that accompanies this vision?
6. Where are you tempted to be afraid and remain silent? How does the promise of God's presence affect your fear and silence?
