

The Ends of the Earth

Finding Purpose in the Kingdom

Adam Bowers | 12/3/2023 | Acts 18:18-28

1. Do you believe that finding purpose in life is a big challenge for many people? Why or why not?
2. What are the problems that can occur with a lack of purpose?
3. Sometimes, to accomplish a bigger purpose, we have to say “no” to something good so we can say “yes” to something better. Can you share a time when you’ve had to do this?
4. What are the things that keep you from being more available for the purpose God has for you in his kingdom? Are there opportunities or activities in your life that you need to say “no” to?
5. Do you feel you understand your purpose in God’s kingdom right now? His work for us can change over time. How are you living out your purpose today?
