

The Ends of the Earth

How to Be Wise in an Age of Outrage

Adam Bowers | 11/12/2023 | Acts 19:23-41

1. It seems like the world is more full of outrage than ever before. Do you think this is true? Why or why not?
2. What are the characteristics of someone who is especially prone to outrage and spreading it to others?
3. When is outrage appropriate? What is a wise and biblical response when we experience appropriate outrage? What should we avoid?
4. A crowd can pressure people to go along with a narrative and a mission that may not be accurate or even really understood. How can we be careful not to go along with whatever people around us are saying but test everything to see if it is true? See Proverbs 14:15, Proverbs 18:13, and 1 Thessalonians 5:21.
5. How is following Jesus a threat to idols? Have you seen any idols in your life fall down because of your walk with Christ?
6. Is there anything that could be considered an idol in your life today that you need God's help to conquer?
