

The Ends of the Earth

Trust in the Waiting

Adam Bowers | 3/3/2024 | Acts 25

1. Discuss a time when you experienced growth or learned a significant lesson during a period of waiting.
2. How can waiting in various aspects of life (for a job, a spouse, healing, etc.) challenge or strengthen faith?
3. What are some of God's promises to those who follow Him? (Hints: 1 John 1:9, Philippians 4:6-7, Matthew 6:31-33, Hebrews 13:5-6, James 1:5, Matthew 11:28.)
4. How do you balance the tension between feeling discouraged and maintaining optimism and faith during difficult times, especially when the timeline for God's promises remains unclear?
5. How does being All-In for God's church help during seasons of waiting?
