

## Worship Faithfully

Andrew Miller | 4/21/2024 | 2nd Tim. 3:16, Col. 3:16

1. We celebrated baptism as part of our services this week! If it's relevant to your group, ask members to share a little about their baptism story.
2. We talked about three “cultural stories” that are currently popular:
  - The story of *self actualization* (becoming the best version of yourself)
  - The story of *finding fulfillment* (becoming the most content version of yourself)
  - The story of *making a contribution* (becoming a person who makes a difference)

Where have you seen or experienced the influence of these storylines?

3. Part of the message talked about how our lives are shaped by repeated rhythms. What are some of the rhythms that shape you or your family?
4. How has God used corporate worship in your story to change, shape, or encourage you?
5. The last point of the message was how God uses corporate worship to send us on His mission. Is there a specific way where God is currently sending you?
