Adam Bowers | 5/5/2024 | 1 Corinthians 12:10-30, 14:22-29

1. How did miraculous gifts enhance the foundation of the early church?
2. What is the difference between a person having a gift of miracles or healing and someone praying for a miracle or healing?
3. Have you ever witnessed supposed miraculous gifts that were not used biblically?
4. What role do you think miraculous gifts should play in the church today? Are they as necessary now as they were in the early church?
5. How should we critically assess the claims of modern-day prophets or healers? What biblical criteria should we use to test these claims?
6. Why do you think the New Testament authors shift toward leadership, teaching, and Christian living in the later epistles and don't mention the miraculous gifts except in the past tense? Can you think of any exceptions to this trend?
7. How are you currently using your spiritual gift(s)?
