1. Read Philippians 2:1-2. What are Paul's motivations for his request?
2. Read Philippians 2:3-4. What would it look like for a church family NOT to follow these instructions?
3. Paul and Barnabas had a sharp ministry disagreement over John Mark. Martha and Mary had relationship friction over preparing a meal. These disagreements show the humanity of these historical characters and how their personalities likely contributed to their struggles with each other.

Can you think of any other biblical examples?

4. When have you had a disagreement with another person that turned out to be primarily due to personality differences?
5. Using the DISC model, what percentages would you give to your personality traits?

What do these percentages say about your interests?
