### **Read Psalm 16 together.**

1. Who are your heroes and role models? How do they influence your behavior and spiritual growth? How can you intentionally choose godly heroes to look up to?
2. What are some modern-day "gods" that people chase after? How can you identify and avoid these false pursuits in your own life?
3. How can you incorporate God's guidance into your nightly routine? Share practical ways to ensure that your heart and mind are instructed by God.
4. How can you ensure that you are pursuing the right direction in your spiritual journey? What steps can you take to stay aligned with God's path for you?
5. How do prophecies about the Messiah in the Old Testament, such as Psalm 16:10-11, impact our faith in God? Why do you think God included these "Easter Eggs" in Scripture if they weren't fully understood when they were written?
