1. A.W. Tozer says, "What comes into our minds when we think about God is the most important thing about us." What comes into your mind when you think about God? How often do you think about God?
2. Read Psalm 19:1-6. David sees creation and worships God. Share a time when you have been moved to worship by the awesomeness of creation.
3. Read Psalm 19:7-11. How do you relate to David's response to God's law and God's revelation in scripture? How is your experience the same? How is it different?
4. Read Psalm 19:12-13. Where are you experiencing the effects of sin most significantly in your life right now? Original sin in the form of sickness and difficult work? The consequences of your own sin, including shame and guilt? The effects of other people's sins landing on you?
5. Close your discussion time by praying Psalm 19:14. Share areas with your group where you want your words and meditations to be more pleasing to the Lord.
