

Faithful Among Lions

Adam Bowers | 10/13/2024 | Daniel 6

1. The other administrators and high officers were threatened by Daniel's integrity. Why do you think integrity can provoke opposition from others? Can you think of examples from your life or from history where this has been the case?
2. Daniel was described as being faithful, responsible, and trustworthy. What are some practical ways we can cultivate these same characteristics in our own lives?
3. Daniel prayed openly, even when he knew it could lead to his death. What does his boldness teach us about the role of public faith in a secular or hostile environment?
4. King Darius was manipulated by flattery and peer pressure to create a law he later regretted. What are the dangers of seeking approval or making decisions based on the opinions of others rather than seeking God's will?
5. After witnessing Daniel's miraculous rescue, Darius proclaimed God's power to his entire kingdom. How does God's work in our lives give us opportunities to witness to others? Have you had an opportunity to share your faith because of how God worked in your life?
6. Please pray for First Free Church as we seek to be On Mission!
