

OPEN DOORS ON MISSION

Worship and Sacrifice

Adam Bowers | 3/1/2026

1. **How does the way we maintain our physical worship space and the other things we use to worship God reflect our respect for Him?**
2. **How do we distinguish between worshiping the items themselves and using those items as intentional tools to help us grow in Him?**
3. **Are there any areas of your life where you are giving God your leftovers rather than your first fruits?**
4. **What is a specific sacrifice of service you can make this week by giving up your valuable time to help someone else?**
5. **Are there ways in which you have sacrificed relationships (investing in those far from God at the expense of our own comfort and other relationships) as an act of worship to God?**
