Andrew Miller | 6/21/2026

- Optional Ice Breaker Question: How has your summer been so far? What's been a highlight and a lowlight?
- Andrew talked about spiritual and cultural currents in Pergamum that threatened to pull believers from loyalty to Jesus. What are some of the "currents" you face that try to pull you from Jesus? (Some examples could include the currents of compromise, temptation, believing something that isn't true about God, anxiety, bitterness, or cynicism.)
- In this passage, Antipas is described by Jesus as "my faithful witness." Can you think of an example of someone who has been a faithful witness for Jesus, even when facing a difficult trial?
- The church in Pergamum struggled with false teaching. What are some of the common false teachings in our culture that threaten the church?
- Revelation 2:17 speaks of "hidden manna," and Jesus describes himself as "the true bread of heaven." Read John 6:30-35 as a group. How do you need Jesus to provide for you in this season?
- What was your biggest takeaway from the message this week?
